Address: Hacettepe University Faculty of Pharmacy, Ankara, Türkiye (Work)

WORK EXPERIENCE

08/02/2023 – 29/05/2023 Ankara, Türkiye

INTERN PHARMACIST GEN PHARMACEUTICAL COMPANY

I performed tablet controls such as diameter-thickness measurement, friability, hardness, and weight uniformity. I have completed training in various fields such as occupational health and safety, and hygiene rules to be followed in production areas.

07/10/2022 – 16/01/2023 Ankara, Türkiye

INTERN PHARMACIST GEN PHARMACEUTICAL COMPANY

I receive intensive training in various departments such as Regulatory, R&D, Analytics, Medical, Quality Assurance, Quality Control. I am running a project with my teammates about the challenges seen in non-sterile production.

10/2022 – CURRENT

INTERN PHARMACIST VADEMECUM DRUG INFORMATION BANK

To ensure that the most up-to-date information is found from domestic and foreign sources and is processed into the system in order to provide our doctors and pharmacists with the information they need for patient safety, monitoring of regulatory compliance and rational drug use, at the right time, in the shortest time and in the most accurate way.

13/06/2022 – 01/08/2022 Ankara, Türkiye

INTERN PHARMACIST İLKO PHARMACEUTICALS DRUG RESEARCH AND DEVELOPMENT CENTER

Gained skills in tablet compression methods such as direct compression, wet granulation and dry granulation. Learned effects of excipients on dissolution profiles, interpret graph and f2 results.

10/2021 – 06/2022

VISITING STUDENT HACETTEPE UNIVERSITY FACULTY OF PHARMACY DEPARTMENT OF PHARMACEUTICAL TECHNOLOGY

I was part of a scientific process where the actively targeted multi-drug loaded nanoparticles developed in the project will increase bioavailability, drugs will be administered at lower doses thanks to targeting, thereby reducing side effects and overcoming drug resistance.

10/2021 – CURRENT

PUBLIC HEALTH COMITEE MEMBER IPSF (INTERNATIONAL PHARMACEUTICAL STUDENTS' FEDERATION)

Organized webinars, events, volunteer days about public health concerns.

06/2021 – 08/2021

● ADDITIONAL INFORMATION

HONOURS AND AWARDS

28/04/2023

TÜBİTAK Researcher – The Scientific And Technological Research Council Of Türkiye I was entitled to be supported to work as an undergraduate scholarship candidate in the project titled "Development and In vitro-In vivo Evaluation of Actively Targeted, Multi-Drug Loaded Nanoparticles to Overcome Drug Resistance in Non-Hodgkin's Lymphoma Treatment" conducted by Erem Bilensoy with project number 220S051 of 2247-C Trainee Researcher Scholarship Program.

08/04/2022

First Prize in the Cosmetics Category in the EnGenius'22 R&D Innovation Competition – Eczacıbaşı Pharmaceuticals Together with my colleagues, we designed a product that meets the needs of consumers, is a solution to a problem, is new in the world and in our country, is patentable, and consists of natural ingredients. My role as a pharmacist was to design the appropriate formulation, select the appropriate active ingredients, search for natural ingredients, and investigate toxicity and pharmacological effects.
