

ECE ÇOBANOĞLU

Address: MERSIN/TURKEY

Phone: (+90) 5372075100

E-Mail: ekarabulut@mersin.edu.tr , eczecekarabulut@gmail.com

D.O.B: Mar 08, 1991 – Mersin

Status: Married

Driving Licence: B (2010)

Education

- **Hacettepe University, ANKARA (2019 -)**
Doctorate of Pharmaceutical Technology
- **Mersin University, MERSİN (2016-2018)**
Master of Pharmaceutical Technology
 - ❖ Thesis Subject: Development Formulation of Nanosponge Containing Simvastatin, Supported by MERSİN BAP, Project Number: 2018-1-TP2-2873
- **Hacettepe University, Ankara (2009-2014)**
Bachelor of Pharmacy, *CGPA: 3.50/4.00 (As an High Honour Student)*
 - ❖ Graduation Project: Current Approaches on Orally Disintegrating Tablet Formulations
- **Sassari University, Italy (Sept 2011- July 2012)** (Studied 3rd year of Pharmacy in Italy with the Erasmus Programme.)
- **Yusuf Kalkavan Anatolian High School, Mersin (2005-2009)**
Science- Math Track

Internship / Work Experience

- **Feb 2016 – Working: Research Assistant at Mersin University, MERSİN**

- **Nov 2014 – Feb 2016: Formulation Assistant Specialist at Ilko R&D Center, ANKARA**
 - ❖ Formulation design and process development of IR and ER solid, semisolid and liquid oral dosage forms
 - ❖ Extensive literature & patent search and evaluation
 - ❖ Optimization, laboratory and pilot-scale manufacturing, validation of processes, interpretation of related analyses and comparative evaluation with respect to the pre-development studies.
 - ❖ Management of stability studies
 - ❖ Process technology transfer to production site and trouble shooting at any stage
 - ❖ Critical review of all parameters for clinical studies (Bioavailability studies)
 - ❖ Preparation and submission of TUBITAK (The Scientific and Technological Research Council of Turkey) projects

- **Sep 2014 – Nov 2014: Product Consultant for Hospital Products, ANKARA**
 - ❖ Carry out fieldwork of hospital products
 - ❖ Visits to related branch physicians, especially hospital pharmacists
 - ❖ To follow the tender and private hospitals in line with the determined targets
 - ❖ To follow new products and market

- **Jan 2014 - Feb 2014: DROGSAN Research and Development Center Intern, ANKARA**
 - ❖ Formulation design and process development of IR and ER solid, semisolid and liquid oral dosage forms
 - ❖ Providing formulation dermal dosage forms

- **July 2013 - Aug 2013: Glaxo Smith Kline. Regulatory Department (Pharmacovigilance) Intern, ISTANBUL**
 - ❖ Reporting drug adverse event appropriately including tracking, coding, reviewing and computer entry in order to accomplish the established targets of compliance, quality and productivity.

Language Skills

- English (Upper- Intermediate), American Cultural Association Language Schools, Ankara
- Italian (Intermediate), Erasmus in Italy, Certificate from Language Department of Sassari University, Italy
- French (Pre-Intermediate), Institut Français Language Schools, Ankara

Poster & Oral Presentations

- Cobanoglu, E.; Sahin, N., The Process of Marketing of Cosmetic Products and Audit Stages in the Market. 4th Mediterranean Pharmacy Congress, 2019-04-26,2019-04-28, Mersin, Turkey, 2019.
- Cobanoglu, E.; Sahin, N., Physicochemical Characterization and Pre-formulation Studies of Simvastatin-containing Nanosponges. 3rd International Mediterranean Science and Engineering Congress, 2018-10-24, 2018-10-26, Adana, Turkey, 2018.
- Sahin, N.; Cobanoglu, E., Biotechnological Orphan Drugs. 3rd Pharmaceutical and Pharmacy Congress (İVEK), 2017-04-26, 2017-04-29, İstanbul, Turkey, 2017.
- Sahin, N.; Sirin, S.; Karabulut Cobanoglu, E.; Dogan Calhan, S.; Derici Eker, E.; Yüksek, N., Importance of Process Analytical Technology (PAT) in Design and Quality Approach (QbD) Applications in Biotechnological Drug Production. 6th National Molecular Biology and Biotechnology Congress, 2017-10-05, 2017-10-07, Adana, Turkey, 2017.
- Yıldırım, M.; Derici Eker, E.; Cobanoglu, E.; Sahin, N., Quality Control Studies of Hard Gelatin Capsules Containing Rheum Ribes L. Extract. 3rd Mediterranean Pharmacy Congress, 2017-04-21, 2017-04-23, Mersin, Turkey, 2017.

Personal Education & Certificates

- Apr 2018, 4th Mediterranean Pharmacy Congress
- Oct 2018, 3rd International Mediterranean Science and Engineering Congress
- Apr 2017, 3rd Mediterranean Pharmacy Congress
- Jan 2016, International Panel and Workshop on Rare Diseases
- Dec 2016, Symposium on Licensing of Traditional and Complementary Medical Products
- Jun 2016, Test animal use certificate programme
- Mar 2016, Basic Principles of Chromatography and Mass Spectrometry (MSMS) Seminar at Mersin University
- Feb 2015, Project Coordinator - "Personalized Medicine & What will it bring in the future?"- Ministry for EU Affairs- Erasmus Plus Programme.
- Apr 2014, Pharmaceutical Policies: Germany - Turkey Case Workshop, SEPD

- 2013 European Union Project- Quatrino Project participation - Latvia
- May 2013, Novartis Training, Clinical Trials and Role of Pharmacist, Ankara
- May 2013, Student Congress of Marmara University, Istanbul
- Apr 2013, Sanofi-Aventis Training, Farma Fest, Luleburgaz
- Mar 2013, Student Congress of FARMAKON, Erzurum
- Dec 2012, Hacettepe University Pharmacognosy Symposium-Moderator

Additional Certificates

- Jun 2016, Test Animal Use Certificate

Awards

- 2014 Honour student at Hacettepe University
- 2013 Honour student at Hacettepe University
- 2012 Honour student at Hacettepe University
- 2011 Honour student at Hacettepe University

Hobbies

Playing tennis:

- 2016 Mezitli Municipality Tournemant (Winner)
- 2013 Mersin Tennis Club Tournemant (Second)
- 2010-2013 Hacettepe University Tennis Team
